Dhoraji Association

اگر آپ کسی جماعت کا تباہ کرنا چاہتے ہیں... تو!!

- 1- اس کے اجتماعات میں شریک ہونے سے گریز کیجئے، مختلف مصروفیات کی آڑ لے کر اجتماعات میں شرکت سے بچنے کے بہانے تراشیں۔
- 2- بھول کر بھی کسی قسم کی ذمہ داری قبول نہ کیجئے کسی قسم کا کوئی کام ہرگز نہ کیجئے، ہاں کام کرنے والوں پر تنقید ضرور کیجئے۔
- 3- اگر آپ سے کسی مسئلے پر رائے لی جائے تو ہمیشہ اپنا نقطہ نظر پیش کرنے سے گریز کیجئے اور بعد میں کھلے عام اجتماعی فیصلوں پر تنقید کر کے لوگوں کے اندر شکوک و شبہات پیدا کرنے کی پوری کوشش کیجئے۔
- 4- اول تو مالی تعاون کبھی نہ کیجئے اور اگر مجبوراً تعاون کرنا پڑے تو کم سے کم دیجئے، مگر حقوق اور سہولتیں زیادہ سے زیادہ حاصل کیجئے۔
- 5- دوسروں کے کمزور پہلو تلاش کیجئے اور پھر ان کی لوگوں کے سامنے خوب تشہیر کیجئے۔
- 6- دوسروں کی ذات پر تنقید کا کوئی موقع ہاتھ سے نہ جانے دیجئے مگر خود کو ہمیشہ تنقید سے بالا سمجھئے۔
- 7- جہاں ذاتی مفاد آجائے وہاں اجتماعی مفاد کو قربان کر دیجئے۔
- 8- خود کسی نظام کی پابندی نہ کیجئے مگر نظام چلانے والوں کو بد نظمی کا طعنہ ضرور دیجئے۔
- 9- اگر کوئی اجتماعی فیصلہ آپ کے مزاج کے خلاف ہو تو عدم تعاون کے مختلف طریقوں سے اسے ناکام بنانے کی بھرپور جدوجہد کیجئے۔
- 10- اگر کسی اجتماعی نظام میں آپ کو اپنی خواہش کے مطابق اہمیت نہ ملے تو اپنی الگ جماعت بنا کر تفریق بین المسلمین کا فریضہ ضرور ادا کیجئے۔

مندرجہ بالا نہایت ہی سادہ اصولوں پر عمل کر کے دیکھئے۔ آپ کم سے کم وقت میں
کسی بھی منظم جماعت کو تباہ کرنے میں کامیاب ہو جائیں گے!

اور

اگر آپ کسی جماعت کے ساتھ مخلص ہیں اسے روز بروز ترقی کرتے اور کامیاب ہوتے
دیکھنا چاہتے ہیں تو پھر ان تباہ کن اصولوں میں سے کسی ایک کو بھی اپنے پاس نہ بھٹکنے دیجئے

پھیر لیتے ہیں نظر جس وقت بیٹے اور بہو
اجنبی اپنے ہی گھر میں ہائے بن جاتی ہے ماں
ہم نے یہ بھی تو نہیں سوچا الگ ہونے کے بعد
جب دیا ہی کچھ نہیں ہم نے تو کیا کھاتی ہے ماں
ضبط تو دیکھو کہ اتنی بے رخی کے باوجود
بد دعا دیتی ہے ہرگز اور نہ پچھتاتی ہے ماں
سال بھر میں یا کبھی ہفتے میں جمعرات کو
زندگی بھر کا صلہ اک فاتحہ پاتی ہے ماں

Grapes & Wine

In his book about Shawam (People of Sham: Syria & Lebanon), Professor Adil Abu Shanab tells the story of an Arab Sheikh who got into a discussion with one of the French Occupation Officers during the French occupation of Syria. The French Officer invited some Syrian dignitaries to a dinner. One of the invitees was an old Sheikh with his white beard. When the French officer saw the old Sheikh eating with his fingers, he asked the old Sheikh:

"Why are you not eating like us?".

At which the Sheikh replied:

"Do you see me eating with my nose?"

The French officer replied:

"I mean, why don't you use a fork and knife?"

The Sheikh replied:

"I am sure of the cleanliness of my hand, but are you sure of the cleanliness of your fork and knife?"

This shut the French officer up, but he made up his mind to get vengeance on the old Sheikh. At the first, the wife of the French officer was sitting to his right, and daughter to his left. The French officer, to spite the man of God, asked for wine to be brought, and proceeded to pour for himself, his wife and daughter, and proceeded to drink in a way to annoy the Sheikh.

He asked him:

"Listen O Sheikh, you like grapes, and eat them, don't you?"

At which the Sheikh replied in the affirmative.

The French officer continued talking, pointing towards the grapes, hoping to beat the old Sheikh:

"This drink is from these grapes, so why do you eat the grapes, but keep far from the wine?"

All the guests looked at the old Sheikh, (feeling that he would have no reply for this).

The Sheikh, calmly replied:

"This is your Wife, and this, your Daughter, is from her. So how is it that your Wife is legitimate for you but your Daughter is not?"

It is said that the French officer immediately ordered for the wine to be removed from the table.

Lovely Quotes:

Failure is simply the opportunity to begin again more intelligently.

Kind words can be short and easy to speak, but their echoes are truly endless.

If we are together nothing is impossible. If we are divided all will fail.

The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather in a lack of will.

The future belongs to those who believe in the beauty of their dreams.

Happiness is when what you think, what you say, and what you do are in harmony.

Luck is a dividend of sweat. The more you sweat, the luckier you get.

The time is always right to do what is right.

There are two ways of exerting one's strength; one is pushing down, the other is pulling up.

An investment in knowledge pays the best interest.

Do what you can, with what you have, where you are.

Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful.

There is only one boss. The customer. And they can fire everybody in the company from the chairman on down, simply by spending their money somewhere else.

Things turn out best for the people who make the best of the way things turn out.

What we have once enjoyed we can never lose. All that we love deeply becomes a part of us.

MIRACLES OF THE WORD ALLAH!!

THIS IS NOT A FICTITIOUS STORY... IT IS REAL AND VERIFIABLE

Vander Hoven, a psychologist from Netherlands, announced his new discovery about the effect of reading the Quran and repeating the word **ALLAH** both on patients and on normal persons. The Dutch professor confirms his discovery with studies and research applied on many patients over a period of three years. Some of his patients were non-Muslims, others do not speak Arabic and were trained to pronounce the word '**ALLAH**' clearly; the result was great, particularly on those who suffer from dejection and tension. Al Watan, a Saudi daily reported that the psychologist was quoted to say that Muslims who can read Arabic and who read the Quran regularly could protect themselves from psychological diseases.

The psychologist explained how each letter in the word '**ALLAH**' affects healing of psychological diseases. He pointed out in his research that pronouncing the first letter in the word '**ALLAH**' which is the letter (A), released from the respiratory system, controls breathing. He added that pronouncing the velar consonant (L) in the Arabic way, with the tongue touching slightly the upper part of the jaw producing a short pause and then repeating the same pause constantly, relaxes the aspiration. Also, pronouncing the last letter which is the letter (H) makes a contact between the lungs and the heart and in turn this contact controls the heartbeat. What is exciting in the study is that this psychologist is a non-Muslim, but interested in Islamic sciences and searching for the secrets of the Holy Quran.

ALLAH, The Great and Glorious, says, 'we will show them our signs in the universe and in their own-selves, until it becomes manifest'.... **ALLAHU AKBAR ALLAH** is great. **ALLAH** keeps me going day and night. Without **ALLAH**, I am no one. But with **ALLAH**, I can do everything. **ALLAH** is my strength.' This is a simple test. If you love **ALLAH** and you are not ashamed of all the great things that he has done for you, send this to everyone you know, May **ALLAH** help u to succeed...Ameen

MASHA ALLAH....MY DEAR MUSLIM BROTHERS AND SISTERS SEND THE MESSAGE THROUGHOUT UMMA....AND ALLAH WILL DEFINITELY REWARD YOU.
