Dear Brothers and Sisters,
Assalamo Alaikum WRWB

We hope everyone of community would have enjoyed Eid Al Fitar Holidays with their loved ones either here in Saudi Arabia or abroad. Also hope, after eid holidays, everyone would have come back to his job and business with normal spirit as he used to have before Ramadan. Now the fasting is finished; the nightly prayers are over; the group gatherings to break the fast have vanished. We can eat, drink, and be merry again when the sun is shining. And that special feeling you have in your heart-the one that keeps you going despite your hunger and thirst-gradually fades away. Al Hamdo Lillah we ready to have another sacred event of Haj soon, insha Allah.

As usual, an Iftar with Dinner was held last month on 7th July 2014 for male members of our community residing in Saudi Arabia. It was very successful event and the noble objective & goal of Iftar was achieved. The detailed report is placed in following pages for your information. Another Iftar Program was held for families of Board Members on self sponsored basis. Since most of our community members travel abroad to spend their Eid Holidays along with vacations with their families and relatives in their home countries, we do not hold Eid Reunion event.

However, we have started preparation from now to hold a mega event during Sep/Oct 2014 which will include prize distribution to meritorious students of the year, elocution contest, enlightening speech from a scholar etc.

We expresses gratitude to the entire community, particularly to it regular readers of the Newsletter for their kind support, cooperation and guidance through their feedbacks from time to time. We request once again our community brothers and sisters to send us their informative write ups, articles, essays or messages of their thoughts, ideas, views and feelings & impression about newsletter, we shall review and insert them in our bulletin, if fit for the newsletter.

Our, heartiest thanks to the community for their continued support & assistance and looking forward to continued cooperation in the future. We sincerely apologize if there is any unintentional error or omission in this issue.

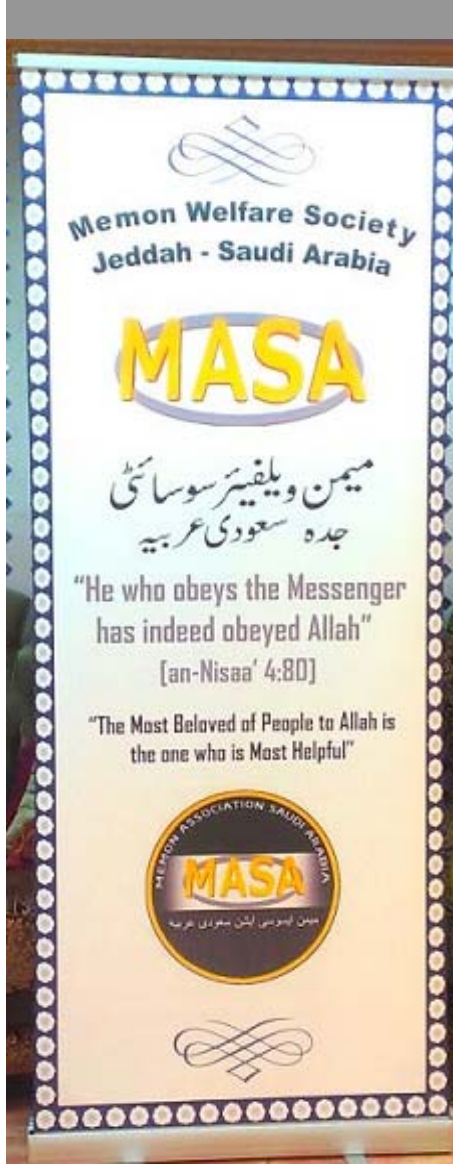

Sincerely / Newsletter Committee

Health Corner:

Top 3 health: best weight loss tips

Red, Orange and Green rule

1) At each meal include one food that is any of these colors. By focusing on these foods, you'll be sure to get some produce on your plate and won't have space on your plate for higher-calorie fare. (Bonus: Colorful fruits and veggies help your skin look healthier and younger!)

Eat one less bite

2) Doing this at every meal could save about 75 calories a day, which equates to nearly an eight-pound weight loss in one year!

Be a heavy (WATER) drinker

3) Water is essential for keeping the body hydrated, and we're actually more likely to retain "water weight" by not drinking enough of it rather than by having too much. The needs of each person will be different, but the general recommended daily amount is 64 ounces. It also takes up space in your stomach so you'll feel fuller while taking in less calories.
