MASHA ALLAH WA TABARAKALLAH. TODAY MEMON JAMAT IS ABOUT TO COMPLETE SEVEN YEARS OF ITS CONTINUITY. IT WAS MONTH OF APRIL 2008, WHEN ALMOST 60 BROTHERS OF MEMON COMMUNITY GOT TOGETHER AT LA'SANI EX. SPINZER RESTAURANT, MADINA ROAD, JEDDAH AND DECIDED TO FORM A FORUM IN ORDER TO BRING MEMBERS OF MEMON COMMUNITY CLOSER TO EACH OTHER THROUGH ITS SOCIAL & WELFARE PROGRAMS.

AL HAMDO LILLAH WE RECEIVED OVERWHELMING SUPPORT AND ENCOURAGEMENT FROM THE COMMUNITY THAT ENABLED MEMON JAMAT TO COMPLETE 2 YEARS OF ITS CONTINUITY SUCCESSFULLY. No doubt, Memon Welfare Society is playing a significant role by providing an opportunity to the community families to meet, greet and eat together from time to time, which is a piece of good fortune. It is worth mentioning that we have formed various committees to undertake their respective responsibilities and assignments.

In brief MWS is purely social and welfare forum to serve the community and humanity.

- مشہور عالم شخصیات کے ساتھ شام - ہم پرانے لباس جمع کر رہے ہیں - ہم بھی مفت طبی کیمپ کے لئے غیر استعمال شدہ ادویات جمع کر رہے ہیں کوئی شک نہیں، میمن ویلفیئر سوسائٹی - مختلف خاندانوں کو ملاقات کرنے - سلام و دعا کرنے - ایک ساتھ کھانا کھانے کے مواقع فراہم کر کے کمیونٹی میں اہم کردار ادا کر رہی۔

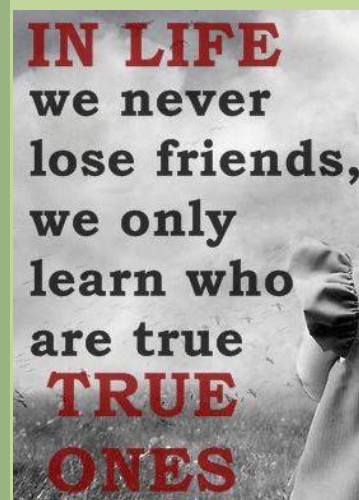

اس کے علاوہ ہم نے اپنی اپنی ذمہ داریوں اور فرائض کو انجام دینے کے لئے مختلف کمیٹیاں تشکیل دی ہیں۔

مختصراً میمن ویلفیئر سوسائٹی خالصتاً سماجی اور برادری کی فلاح و بہبود اور انسانیت کی خدمت کرنے کے لئے ایک فورم ہے۔

**FORGET** what hurt you in the past.

**BUT** never forget what it taught you.

## Amazing Sir Adamjee Haji Dawood

"Your Problem is solved" - A 4 worded sentence by Sir Adamjee Dawood in reply to Quaid-e-Azam Mohammed Ali Jinnah's appeal to fund the newly born nation can be regarded as one of the greatest service any one did for Pakistan and founder of Pakistan. Sir Adamjee Dawood was approached by Finance team of newly formed Government of Pakistan on orders of Quaid-e-Azam on August 27, 1947 - just 13 days after the country gained its independence. Country ran into financial trouble because of planned stoppage of funds it was supposed to receive.

At that critical moment of history, Sir Adamjee Dawood replied with these four words and wrote a **blank cheque** secured against all his assets. He literally gave away all his assets which included a business conglomerate besides other personal wealth. His sacrifice enabled the country to tackle this crisis successfully.

Born in 1880, Sir Adamjee showed signs of a great entrepreneurship from teenage. He established trading business and successfully led it to become a conglomerate. He also started participating in Indian politics and funded many humanitarian causes.

He was also nominated as the first president of Muslim Chamber of Commerce & Industry by Quaid-e-Azam in 1944. Among his established conglomerate, the Adamjee Group, Sir Adamjee also established Muslim Commercial Bank on July 9, 1947 on Quaid-e-Azam's instructions. The bank went on to become one of largest banks in Pakistan today.

Sir Adamjee lived only few months in Independent Pakistan and breathed his last on Jan 12, 1948. Quaid-e-Azam stated on his death:

*"He was a loyal Muslim and rendered great service in our struggle for Pakistan. His loss will be felt all the more now, when having achieved our goal we need his services for building Pakistan. His death will leave a Gap in Muslim Business Community which will be difficult to fill. His death is a National Loss to Pakistan."*

Earlier Quaid paid tribute to Sir Adamjee during the partition movement with these words:

*"If we had a dozen men like Sir Adamjee, Pakistan would have been achieved earlier"*

## Health Corner:

### Migraine

A migraine is usually a severe headache felt as a throbbing pain at the front or on one side of the head. Some people also have other symptoms, such as nausea and sensitivity to light.

Migraine is a common health condition, affecting about 15% of adults in the UK.

There are several types of migraine, including:

- **Migraine with aura** is when there is a warning sign, known as aura, before the migraine begins. About a third of people with migraine have this. Warning signs may include visual problems (such as flashing lights) and stiffness in the neck, shoulders or limbs.
- **Migraine without aura**
- **Migraine without headache**, also known as silent migraine, is when an aura or other migraine symptoms are experienced, but a headache does not develop.

There are five stages to a migraine, although not everyone will experience all of these

#### Who is affected by migraine?

Migraines affect one in four women and one in 12 men in the UK.

Hormones may be the reason why migraines affect more women than men. Migraines usually begin in young adults. About 9 in 10 have their first migraine before they are 40 years old. However, it is possible for migraines to begin later in life

#### How often do they occur?

Everyone will experience migraines differently. Some people have attacks frequently, up to several times a week. Other people only have a migraine occasionally. It is possible for years to pass between migraine attacks. Some people find that migraine attacks are associated with certain triggers, which can include stress and certain foods.

Migraines can severely affect your quality of life. During and after a migraine, some people need to stay in bed for days at a time.

However, there are effective treatments, and methods that can help to prevent migraines.
